

# Neighborhood Matching Fund

## Funds for Neighborhoods

The neighborhood matching fund gives Burien residents access to city funds to improve the quality of life in Burien neighborhoods. The City provides funds, up to \$5,000 per project, and the neighborhood matches the City's contribution with local resources of volunteer labor, donated materials or professional services, or cash. The goal of the neighborhood matching fund is to encourage projects that foster self-help, neighborhood pride, and beautify Burien's neighborhoods.

### What can you do?
